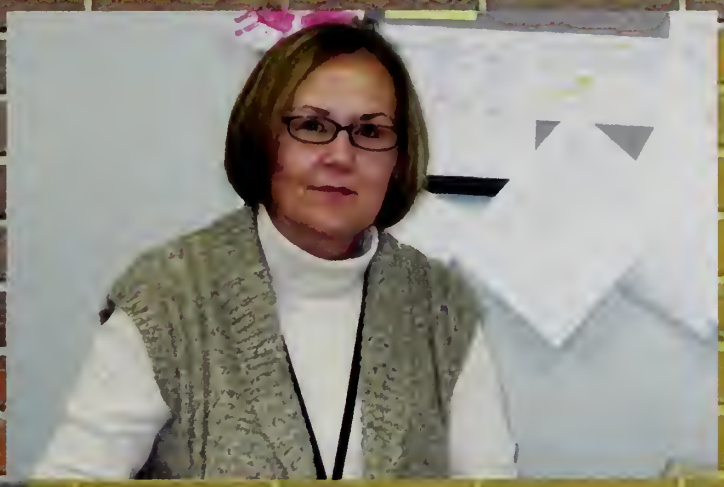
2010 Dedication to Mrs. O'Brien



Mrs. O'Brien's official title is Secretary to the Principal; however, her role is so much more than that! Mrs. O'Brien is **THE** main ingredient of glue that keeps Weymouth High School running every day. She goes out of her way and always takes the time to help anyone regardless of who they are. She treats every student and staff member like they are the most important person at WHS.

Mrs. O'Brien is truly a dedicated family person. She, with help of her husband Dennis, has raised three wonderful children who have a wide range of interests. Kelly is pursuing a career to fulfill her life long dream of working with animals. Jennifer is studying abroad in England. Danny graduated from Massachusetts Maritime Academy in 2009 and is sailing the ocean blue. Mrs. O'Brien and her husband Dennis are very proud of each of their children.

Mrs. O'Brien has just started to become an avid gardener! With the help of one of her closest friends, Mrs. DeMorat, maybe we will see her house in the latest edition of *Home and Gardens* some day. Her other hobbies include reading, quilting, and Mrs. Kames' Zumba Class.

Mrs. O'Brien is very involved in her church. She devotes many hours helping with church activities and is great friend to all. **Congatulations, Mrs. O'Brien!** Job well done. . .as always!

Graduating Class of 2010,

While you flip through the pages that capture the moments from the past four years of our lives, it may seem that these images are a simple definition of twenty ten. But we are so much more than that. Although we came from different middle schools, together we worked through the challenges that faced us in high school. We end our high school career as a group of nearly five hundred amazing people. A group of artists, musicians, athletes, best friends, actors, and ambitious personalities that will go on to pursue their dreams. This is our chance to show the rest of the world everything we have accomplished. Now is the time for us to start a new chapter of our lives, where possibilities are endless and opportunities are infinite.

We've marked our time here and we've made an impact at Weymouth High School. Though we may not be "forever young", I hope that you never forget where you came from, and you take everything you have learned with you. The choices we have made matter, and we have changed the lives of others along the way. No matter what path life takes us in, one thing will always remain the same; we will always share one thing in common, we will always have a bond that can't be broken. We are and always will be Weymouth High School's graduating class of 2010.

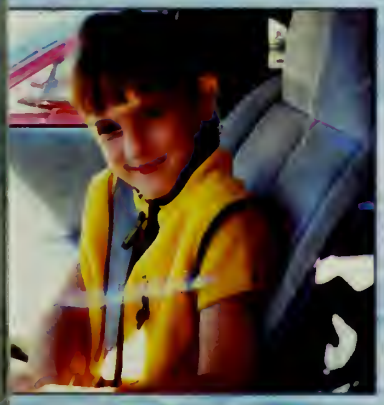
In Loving Memory of Sinead Byrnes

June 25, 1991- August 3, 2008



Don't think of me as gone away,
my journey's just begun.
Life holds so many facets
this earth is only one.
Just think of me as resting
from the sorrow and the tears,
in a place of warmth and comfort,
where there are no days and years.
Think how I must be wishing
that we could know today
how nothing but our sadness
can really pass away.
And think of her as living
in the hearts of those I touched,
for nothing loved is ever lost,
and I was loved so much.

Coach Mike Miller

"After losing such a great senior class, it would have been no surprise if we took a step backwards, but we never did. That's a testament to the hard work and dedication of our captains. We couldn't get it done against the eventual division and state champs Newton North, but placing 4th at Relays and 7th at Division I's are our best places ever, and we're close to becoming a power in the state. Great work everybody!"

About CSL:

Teacher Ms. Melanie Curtin tells, "This prompted me to create a class that would allow students to create projects that would benefit our town. I knew they would learn the crucial skills of planning, organizing, and communicating at all levels, and critical thinking, all while gaining a sense of empowerment from making a difference and giving back. This class allows me to give back to my community in so many ways."
